# LILLE 2026

17.06 → 19.06

en chirurgie thoracique, cardio-vasculaire, structurale et endo-vasculaire

## SFACCEC Perfusion Training Days – Official Program

Participation in SFACCEC training days grants 40 SFACCEC professional certification points  
This event also awards 4 EBCP certification points

### Wednesday, June 17, 2026

18:00 - 20:00 | SFACCEC General Assembly

### Thursday, June 18, 2026

09:20 - 10:40 | Inaugural session : Financing innovation

Joint Session

Grand Theater

Moderators : André VINCENTELLI (Lille) - Marie-Laure NEVEU (Paris) –  
Sophie PROVENCHERE (Paris) – Christine RESIAK (Metz)

10:40 - 11:15 | Coffee Break - Exhibition Area

Hall Lille

11:15 - 12:25 | Assisted Venous Drainage

SFACCEC Session

Moderators : Sébastien LETHEILLER (Lens) - Maxime LE JOLIVET (Lyon)

- Assisted Venous Drainage : Current Practices and Recommendations  
Sébastien LETHEILLER (Lens)
- KAVD (Kinetic Assisted Venous Drainage) : Principe, Technique, Experience  
Julien KOWALSKI (Lens)
- Comparative Study of Safety and Performance Between KAVD and VAVD  
Ahmed HADHOUM (Lille)

12:25 - 13:40 | Lunch Break & Networking - Exhibition Area

Hall Lille

13:50 - 15:20

### Organ Perfusion & Heart Transplantation

SFACCEC Session

Moderators : Dylan DUPONT (Lille) - Maxime LE JOLIVET (Lyon)

- Prioritizing to Improve Transplantation : Understanding the Heart Score  
*Flore VILANOVE (La Pitié Salpêtrière - Paris)*
- M3 Procedure and the Perfusionist's Expertise in Organ Procurement  
*Pierre SYLLA (Marseille)*
- Ex-vivo Heart Perfusion Using the OCS System, Lille Expérience  
*Ahmed HADHOUM (Lille)*
- Ex-vivo Lung Perfusion : OCS System Experience  
*Pierre SYLLA (Marseille)*
- Ex-vivo Heart Perfusion Using the XVIVO Perfusion, Clinic Impact  
*Patrice LE GLOAHEC (La Pitié Salpêtrière - Paris)*
- Ex-vivo Lung Perfusion : XVIVO Experience  
*Christelle SORBIER (Bordeaux)*

15:20 - 15:50

### Coffee Break - Exhibition Area

Hall Lille

16:00 - 17:00

### Four Years After the Guidelines : Where Do We Stand with ERAS ?

Joint Session

Grand Theater

*Fairouze BOUJIBAR, Physiotherapist (Rouen)*
- ERAS Coordination Nurse : Role and Funding  
*Amandine SABATTIER, Nurse ERAS (Toulouse)*
- Optimizing Postoperative Drainage  
*Dr Karel PTEUFY*
- Multimodal Analgesia in ERAS  
*Dr Hélène CHARBONNEAU (Toulouse)*
- Cryoablation Analgesia - Atricure  
*(Nancy)*
- Early Return Home with Home Hospitalization  
*Pr Michel KINDO (Strasbourg)*

17:05 - 18:05

### Developments and Breakthroughs of the Year

Joint Session

Grand Theater

**SFACCEC Presentation** : Expert Consensus on the Basic Qualifications and Competencies of Clinical Perfusionist in Europe – European Board of Cardiovascular Perfusion AECTS & AECTAIC  
*Dylan DUPONT (Lille)*

09:00 - 10:10

**Free Communications**

**SFACCEC Session**

*Moderators: Benoit BOUISSET (Lyon) - Christine RESIAK (Metz)*

- GDP : Admitted Biases Half Forgiven  
*Pr Alexandre OUATTARA (CHU Bordeaux)*
- Software-Assisted Heparin Management during CPB  
*Florian MASSACRIER (Saint-Etienne)*
- Implementation of a Regional Pediatric UMAC  
*Maxime LE JOLIVET (Lyon)*

10:10 - 10:40

**Coffee Break - Exhibition Area**

**Hall Lille**

10:40 - 12:00

**Cross Perspectives : Perfusionist Training**

**SFACCEC Session**

*Moderators : Joël FREDERIC (Tours) - Flore VILANOVE (Paris)*

- The Senior Perfusionist : A Key Element in Training  
*Christine RESIAK (Metz)*
- Survey on Perfusionist Training  
*(speaker to be confirmed)*
- Training of Perfusionists in Spain  
*Maria Angeles BRUNO MARTI (présidente de l'AEP, Valencia)*
- Geneva Experience  
*Mourad MALKI, Mouloudi ABDELKHALEK (Hôpitaux Universitaires Genève)*
- Training of Belgian Perfusionists  
*Martial GILLET (secrétaire de BelSECT)*

12:00 - 13:00

**My Research in 10 Minutes**

SFACCEC Session

*Moderator : Florian MASSACRIER (Saint-Etienne)*

- Correlations Between Intraparenchymal Cerebral and Peripheral Temperature Monitoring Sites During Rewarming After Deep Hypothermic Circulatory Arrest on Cardiopulmonary Bypass  
*Damien PARMANTIER (Nancy)*
- Perioperative Blood Recovery : Centrifugation vs Tangential Filtration  
*Marco COVA (Montpellier)*
- Type A Aortic Dissections : Is the Full Moon Responsible ?  
*Laurent MATHIEU (Bordeaux)*
- DO<sub>2</sub>i in Obese Patients Undergoing Cardiopulmonary Bypass : Which Indexation Strategy Best Predicts Postoperative Acute Kidney Injury ?  
*Benoit BOUISSET (Lyon)*
- Preliminary feasibility study of using an ECMO machine in the context of hyperbaric chamber sessions  
*Gaetan LEGRAND (Lille)*

**AWARDS CEREMONY : BEST POSTER 2026 & BEST RESEARCH 2026**

13:00 - 14:00

**Lunch Break & Networking - Exhibition Area**

Hall Lille

14:00

**End of the Training Days**
